BANDHAVGARH NATIONAL PARK

Bandhavgarh National Park has an area of 437 sq.km.

Today the park has the highest density of Tigers in the wilds.

The park derives its name from the most prominent hillock of the area, which was said to be given by Hindu Lord Rama to his brother Lakshamana to keep a watch on Ceylon. Hence the name *Bandhavgarh*.

The park has a large breeding population of leopards and various species of deer.
